(a division of **pharma India®**)

**AN ISO 9001:2015 CERTIFIED COMPANY**

The Perfect Harmony  
to Control  
Pain & Inflammation

# ANAMOL-P

Aceclofenac 100 mg & Paracetamol 325 mg **Tablets**  
Aceclofenac 100 mg & Paracetamol 250 mg/5 ml **Suspension**

## Aceclofenac

- Targets only the Inflammation Site with its Site Specification
- Rapid onset of Analgesia
- Excellent GI Tolerance & Cardiovascular Safety

## Paracetamol

- Time Tested & Trusted Analgesic
- Works in Synergy with Aceclofenac

# ANAMOL-NP

Nimesulide 100 mg & Paracetamol 325 mg **Tablets**

● LOW BACK PAIN

● DENTAL PAIN

● BODY PAIN

● ANKYLOSING SPONDYLITIS

● OSTEOARTHRITIS

● RHEUMATOID ARTHRITIS

Sign of Maximum Compliance

Perfect combination to Relieve Entangled  
Pain, Inflammation & Edema

# ANAMOL-SP

Aceclofenac 100 mg, Paracetamol 325 mg & Serratiopeptidase 15 mg Tablets

## Aceclofenac

- Aceclofenac is significantly more effective than diclofenac in improving knee flexion after 2-4 week of treatment. Clinical Rheumatology Vol. 14, No.6; Nov. 1995 P-636-662
- Aceclofenac is more tolerated comparison to idomethacin in the treatment of ankylosing spondylitis. Rheumatology 1996 Jul. 23 (7) 1200-6

## Paracetamol

- Powerful analgesic and antipyretic.
- Well tolerated with no adverse gastrointestinal effects.

## Serratiopeptidase

- Relieves pain and inflammation with excellent gastro protection.
- Cleans up site of inflammation and normalize temperature of inflamed area.

# ANAMOL-DF

Diclofenac Sodium 75 mg/ml Injection (AQUA BASE)

- Rheumatoid Arthritis • Osteoarthritis • Minor Muscle Trauma
- Ankylosing Spondylitis • Sprains and Injury • Post Operative Spasm
- Masculo Spondylitis • Spinal Spondylitis • Sports Injuries

**For A Pain Free Body Movements**

Trusted synergy against  
**TOUGH** bacterial Infections

# ANOMENTIN-625

Amoxicillin 500 mg & Clavulanic Acid 125 mg Tablets

**The Antibiotic Power with Enhanced Spectrum & Tolerability**

## Amoxicillin

- Broad spectrum of bacterial activity against many gram positive and gram negative micro organisms

## Clavulanic Acid

- Activity against the clinically important plasmid-mediated  $\beta$ -lactamases frequently responsible for transferred drug-**3** resistance

- ENT Infections
- Dental Infections
- Post Operative Care
- Urinary Tract Infections
- Gynaecological Infections
- Respiratory Tract Infections
- Skin & Soft Tissue Infections

***Trusted by you... Endorsed by the world...***

## **BACTERIAL COVERAGE** in routine infections

# **CEFIDOX-200**

Cefpodoxime Proxetil 200 mg Tablets

- Oral third generation cephalosporin active against most of gram +ve and gram -ve bacteria <sup>1</sup>
- Good alternative for the treatment of common RTI (All H.influenzae isolates susceptible; most active against S.Pyogenes)<sup>2</sup>
- Least drug resistance in UTI (6% of coli isolates were resistant to cefpodoxime, 9% to cefuroxime, 11% to cefadroxil and 50% to ampicillin)<sup>2</sup>

# **CEFIDOX-50**

Cefpodoxime Proxetil 50 mg/5ml Dry Syrup

- Pharyngitis/Tonsillitis
- Acute Otitis Media
- Urinary Tract Infections
- Community-Acquired Pneumonia
- Skin & Skin Structure Infections

**Coverage & Convenience with High Clinical Success**

Ref : 1. Indian J Pediatr. 2004 May;71(5):413-5 2. Rev Med Chil.2005 Aug;133(8):903-10

## Target **Stubborn** Bacterial Invasion

# CEFFI-200 DT

Cefixime 200 mg & Lactic Acid Bacillus Dispersible Tablets

- Clinical success rates of 96% in lower Respiratory Tract Infections
- Has the longest half-life period among all oral Cephalosporins  
Urologia. 2011 Mar-Apr.; (2):63-6
- Has high activity against basic pathogens of Urogenital Infections  
Urologia. 2011 Mar-Apr.; (2):63-6
- Higher clinical and microbiological efficacy than Ciprofloxacin  
Urologia. 2011 Mar-Apr.; (2):63-6

- Bronchitis • Tonsillitis • Pharyngitis • Otitis Media • Urinary Tract Infections
- Respiratory Tract Infections • Skin & Soft Tissue Infections • Typhoid Fever
- Gynecological Infections • Urogenital Infections • Nosocomial Infections

**For Excellent Results in Tough Infections**

The **Experts Choice** for Lasting  
Relief form **Typhoid Fever**

# CEFFI-OF

Cefixime 200 mg & Ofloxacin 200 mg Tablets

- Significant reduction in nocturnal awakening after 3 days  
Am. Jr. of Advances. in Medical Science Vol. 1:2. 2013
- 100% susceptibility against bacteria causing urinary tract  
Infections  
Archives de Pediatric Vol.2 (2), Feb. 1995, 136-142
- Greater penetration than ciprofloxacin in intraocular  
chamber  
Feb. 1 2003, ophthalmology times
- Excellent sensitivity towards all S. typhi isolates

- Typhoid Fever • Urinary Tract Infection • Respiratory Tract Infection
- Surgical Prophylaxis • Soft Tissue Infections • Nosocomial Infections
- Intra-Abdominal Infections

An all time Super **Anti-infective** Success

For **delightful** increase in  
**appetite** of your **loved** ones

# CYPOPLEX

Cyproheptadine Hydrochloride,  
Vitamins of B-Complex & Zinc **Syrup**

- Stimulates appetite, induces weight gain with accelerated linear growth rate (symmetrical gain)
- Free from GI adverse effects, even delicate children tolerates better
- Tones up the entire digestive system, enhances weight gain
- Increases fat emulsification transport and utilization
- Clinically proven accepted non hormonal stimulant

- Anorexia Nervosa • Urticaria Allergic Reaction
- Indigestion • Sluggish Peristalsis
- Loss of Appetite • Weight Loss • Liver Disorders

**Restores Appetite Restores Health**

**Feel Free From  
Dry Cough**

# GD-REX

Dextromethorphan Hydrobromide 15 mg, Chlorpheniramine Maleate 4 mg & Phenylephrine Hydrochloride 5 mg/5ml Syrup

## **Dextromethorphan Hbr**

- The most widely used antitussive for the treatment of cough associated with acute upper RTI.
- It relieves cough by acting directly on the cough center in the brain.

## **Phenylephrine Hcl**

- A decongestant that shrinks blood vessels in the nasal passages.
- It relieves nasal discomfort caused by cold, allergies and hay fever.

## **Chlorpheniramine Maleate**

- Control allergic symptoms like Sneezing & mucus secretion.

- Common Cold & Cough
- Nasal Congestion
- Sneezing
- Allergic Cough
- Allergic Rhinitis

**Ideal Choice in Irritating & Dry Cough**

*Quick and Lasting Relief*

# **GASOGYL PLUS**

Herbal Antacid Syrup & Powder

## **The Natural Gastric Protector**

- Relieves flatulence
- Alleviate burning sensation
- Relieves pain in the abdomen
- Relieves heaviness in the stomach
- Rich with potent anti-ulcer properties
- Gives prompt & sustained relief from acidity
- Helps to cool the lining of the stomach, reducing that burning sensation you feel during acidity

**Fast action in distress of  
Gas Troubles...**

Health Rejuvenator &  
Well Balanced Uterine Tonic & Capsules

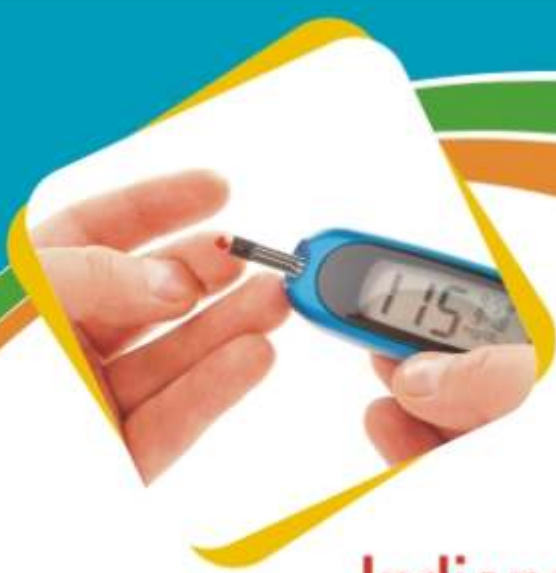

# GYNOSSET FORTE

Uterine Tonic & Capsules

- Being a uterine sedative, it minimizes the severity of uterine contractions.
- Relieves dysmenorrhea and the symptoms of pelvic pain, backache and leg cramps.
- In menorrhagia prevents excessive menstrual loss due to its strong uterine contractions.
- Restores the functions of the ovary and endometrium.
- Helps to minimize the problems of climacteric disturbances at the time of menopause.

- Menstrual Irregularities
- Dysfunctional Uterine Bleeding
- Menopausal Disorders
- Oligomenorrhea
- Irregular Cycle
- Leucorrhoea
- Menorrhagia

**Most advanced comprehensive  
approach to improve uterine disorders**

**1 in every 4**  
**Indians is Diabetic or Prediabetic**

# DIABECID

Anti Diabetic Syrup, Capsules & Powder

- Helps to Decrease HbA1c Levels
- Relies Excessive Thirst & Hunger
- Supports Liver & Kidney Function
- Helps to Maintain Blood Pressure
- Helps to control Blood Sugar Level
- Reduces Fatigue & Physical Weakness
- Maintains Healthy Glucose Metabolism
- Provides Relief from frequent Urination

**HERBAL COMBINATION FOR  
DIABETES MANAGEMENT**

**Solution for all Diabetic Issues**

Rapidly Restores  
Natural Liver Functions

# LIVZEX-DS

**Double Strength Herbal Syrup for Liver Disorders with Benefits of Enzymes**

- Synergistically provides beneficial action in jaundice, liver & spleen enlargement, bile secretions, liver disorder, digestion & renal functions
- Provides symptomatic improvement
- Stimulates appetite & controls abdominal pain
- Useful diuretic with blood purifying action
- Supportive therapy in all other ailments
- Very safe, even in long term therapies

# LIVERON

**Syrup & Capsules for Liver Disorders**

**Useful in Jaundice & Anorexia,  
Chronic Active Hepatitis, Early Cirrhotic Conditions**

**Making Liver Healthy**

*The Health*  
*With the Power of*  
*Multivitamin,*

*Multimineral & Antioxidants*

**IRROVIT-PLUS**

**Syrup**

- Enhances immunity
- Major scavenger of harmful free radicals
- Improves skin texture & keeps the skin glowing
- Reduces oxidative stress in uterus and prevents complication in pregnancy
- Provides potential benefit for male infertility
- Promotes good visibility with healthy eyes
- Protects the body against degenerative diseases

- Ageing • Coronary Heart Disease • Male Infertility
- Pre-Eclampsia • Degenerative Disease • Oxidative Stress
- Antibiotic Therapy • General Debility

***Bringing Health to Life...***

**Speedy & Effective way  
to increase Haemoglobin**

# **IRROVIT-XT**

Ferric Ammonium Citrate, Folic Acid & Cyanocobalamin Syrup

## ***Ferric Ammonium Citrate***

- Well tolerated minimal GI disturbances
- Water-soluble form with better absorption
- Effective in improving hemoglobin profile in pregnant anaemic women comparing ferrous fumarate

J Indian Med Assoc. 2007 may; 105 (5):278-280-1,284

## ***Folic Acid***

- Ensures proper development of foetus & prevents congenital neural tube defects like spina bifida etc.

## ***Cyanocobalamin***

- Improves the formation & maturation of RBC caused by pernicious anemia
- Promotes growth & development of nerves & nucleic acids

- Nutritional Anaemia • Pregnancy • Menorrhagia • Lactation
- Hookworm Infestation • Chronic Blood Loss • Surgical Procedure
- Menopausal Hemorrhagic Condition

**Change the scenario swiftly for richness of Redness**

**Energy, Passion, Vitality** and  
Action Enrich Life with.....

# LYCOMIN-V

Lycopene, Multivitamin, Multimineral with Antioxidant **Syrup**

- ▲ Improves the body's resistance to stress
- ▲ Maintains normal healthy body functions especially during growth & convalescence
- ▲ Boosts immune system
- ▲ Promotes healthy growth & development
- ▲ Consists of essential amino acids which support growth of children, foetus in pregnant women, elderly patients and recover in debilitated patients
- ▲ Essential for a pregnant woman by increasing blood supply and the growth of both maternal and fetal tissues

- Debility and Convalescence due to Infection or Surgery
- Loss of Appetite • Common Fatigue & Body Weakness
- Useful in Pregnancy & Lactation • Adjuvant to Antibiotic Therapy

**Rejuvenate Life with Active Power**

**Well Balanced Formulation  
for Stamina & Immunity**

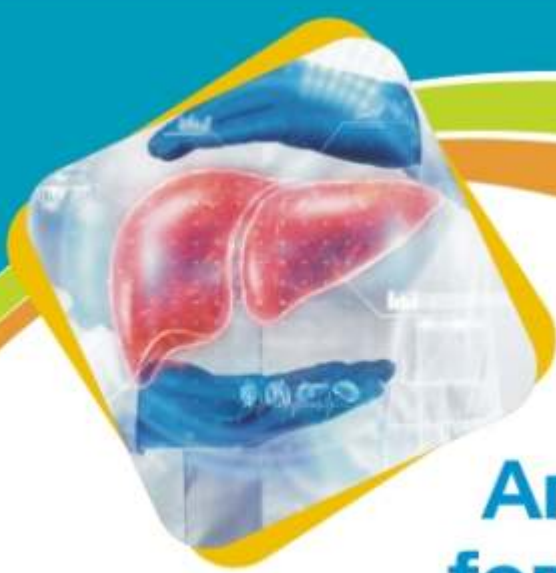

# **LYCOMIN-V 9G**

Lycopene, Citrus Bioflavonoids, Omega-3 Fatty Acid, Ginkgo Biloba, Ginseng, Green Tea Extract, Natural Mixed Carotenoids, Lactobacillus Acidophilus, Grape Seed Extract, Lutein, Garlic Powder, Ginger Root Extract, Green Coffee Extract, Glycyrrhiza Glabra Extract, Gulab Extract, Vitamins, Minerals, Antioxidant with Amino Acids **Softgel Capsules**

- **A well balanced antioxidant enriched with vitamins, minerals & natural supplements**
- **Extends the support of Inositol as regulator and integrator of cell mechanism**
- **Provides built-haemnutrients, osteonutrients and neronuts**
- **Useful in delaying the progress of degenerative disorders with support of anti-oxidants.**

- **Improves blood circulating system** • **Minimizes heart related diseases**
  - **Improves bone strength** • **Boosts up immune system**
- **Prevents stomach ulcers, heart burns, colic** • **Reduces metabolic stress**
  - **Maintains health bone, blood & neurons cells**

**A Complete Package... For Everyone**

**An Absolute Support  
for Compromised Liver**

# **LIVERON FORTE**

Vitamin B-Complex, L-Ornithine L-Aspartate with Silymarin Extract Suspension

## **Silymarin**

Silymarin leads to a significant reduction in liver related mortality, encephalopathy & insulin requirement in cirrhosis-related diabetes mellitus

## **L-Ornithine L-Aspartate**

Reduce venous ammonia, Promotes liver detoxification Show clinical improvement in hepatic encephalopathy

## **Vitamin B-Complex**

Improves Immunity

Accelerates relief in necrosis, teatosis, and cirrhosis of the Liver

- **Hepatotoxicity • Alcoholic Fatty Liver • Vital Hepatitis**
- **Liver Cirrhosis • Anorexia • Hepatic Encephalopathy**
- **Diseases Caused by Liver Damage Including Jaundice**

**An Insurance of Liver Protection... Every Day**

**Restore Digestion with  
Zooming Appetite**

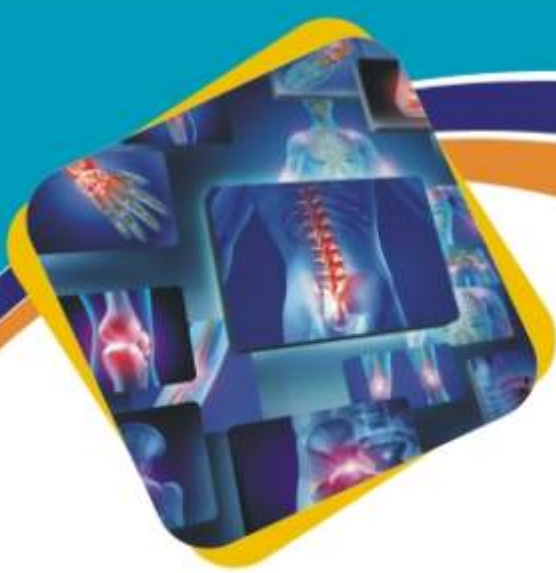

# **MAXAZYME**

Digestive Enzymes & Vitamins of B-Complex Syrup

- Beneficial for dyspeptic symptoms
- Enhance appetite promotes good health
- Promotes the expulsion of gases from the GIT
- Effectively digest carbohydrates to simple sugar
- Controls symptoms like belching bloating & flatulence
- For complete digestion absorption and utilisation
- Providing the essentials for a healthier family

• Loss of Appetite • Dyspepsia • Indigestion  
• Flatulence • Anorexia • Gastritis • Heartburn • Hyperacidity

**Clinically validated for safety and efficacy**

Herbal Pain Reliever for  
**Joint & Muscles**

# **MEDIGESIC OIL**

Herbal Massage Oil & Capsules

- Possesses healing restorative and pain killing properties
- Promotes faster healing from aches & disappearance of bruising
- Provides relief from arthritis, rheumatism, inflammatory joint & muscle conditions
- Promotes circulation and relieves fatigue
- Soothes & promotes faster healing of sports injuries
- Reduces the need for painkillers & anti-inflammatories

• **BACK PAIN** • **RHEUMATISM** • **ARTHRITIS**  
• **PHYSICAL INJURY** • **SPORTS INJURY**

**Now say Good bye to Joint & Muscular Pain**

For the maintenance  
of Perfect Neurons...

# NEROBIN-FORTE

Methylcobalamin 2500 mcg, Vitamin B6 100 mg &  
Nicotianmide 100 mg Injection

## **Methylcobalamin**

- Improved nerve conduction velocity promoted injured nerve regeneration, recovering the neuromuscular functions in peripheral hyperalgesia and allodynia.

Neural Plasticity Volume 2013 (2013), Article ID 424651

- Shows statistical improvement in the somatic & autonomic symptoms with regression of signs of diabetic neuropathy.

Clin Neurol Neurosurg. 992;94(2):105-11

## **Pyridoxine (Vit. B6)**

- Helps to maintain the healthy nervous system.

## **Nicotinamide**

- Beneficial in treating neuropathy by preventing mitochondrial dysfunction & reversing deficiencies of Vitamin B.

Nutrient Therapy for Neuropathy by Lark lands; 1985-2005

- Peripheral Neuropathy • Diabetic Neuropathy • Alcoholic Neuropathy
- Drug induced Neuropathy • Adjuvant to long term Therapy
- General B12 Deficiency • Sciatica Syndrome • Trigeminal Neuralgia

**Synergistic Approach to Improve Quality of Life**

Prevent **Upcoming**  
**Nosocomial Threats...**

# PEPBACT 1.5 gm

Piperacillin 4 gm & Tazobactam 0.5 gm Injections

- Excellent clinical success rates
- First line option in moderate to severe bacterial infections  
(Dis Manage Health Outcomes 2002;10 (3): 195-199)
- Possesses broad spectrum of antibacterial activity against most gram positive and gram negative bacteria
- Fever in neutropenic cancer patient Piperacillin, Tazobactam is safe & effective mono therapy comparison to Ceftazidime  
(Cancer 1998, 6; 402-04)
- Potent irreversible  $\beta$ -lactamase inhibitor

- Meningitis • Gynecological Infections • Post Surgical Infections
- Skin & Soft Tissue Infections • Respiratory Tract Infections
- Nosocomial Pneumonia • Lower Respiratory Tract Infections

**Lock up the Multiple Infections...**

Fast control of  
**Polymicrobial** Infections

# SEFRI-SL 1.5 gm

Ceftriaxone 1000 mg & Sulbactam 500 mg Injection

**CEFTRIAZONE**, a third generation cephalosporin

**+** **SULBACTAM**, a  $\beta$ -lactamase inhibitor

- It inhibits  $\beta$ -lactamases produced by bacteria & protects Ceftriaxone.
- Decreases the minimum inhibitory concentration values of organisms susceptible to Ceftriaxone, due to increased affinity to Penicillin binding Protein.
- Ceftriaxone resistant bacteria becomes susceptible by an addition of Sulbactam.

- Meningitis • Typhoid • Bacteremia & Septicemia • UTI • STD • PID
- RTI & ENT Infections • Gynecological Infections
- Bone & Joint infections • Surgical Prophylaxis

The best **combination** against **tough Infections**

When **Acid Reflux** Strikes...  
Choose the Best...

# PRIME-40

Pantoprazole 40 mg Injection & Tablets

Most effective in preventing stress ulcers or those deep focal Lesions.

Society of Critical medicine 2001

Superior anti secretory activity than Omeprazole.

Ear J. gastroenterol Hepatol 1999 Nov; 11(11):1227-821

Longer duration of action than Omeprazole, Lansoprazole & Rabeprazole.

Omeprazole-82% Acid Inhibition , Lansoprazole-70% Acid Inhibition & Rabeprazole-85% Acid Inhibition

Maintains higher intragastric pH for longer duration.

- Hyperacidity
- Stomach Ulcers
- Intestinal Ulcers
- Intra Gastric Bleeding
- Zollinger-Ellison Syndrome
- Reflux Esophagitis
- Erosive Esophagitis
- Gastroesophageal Reflux Disease

Give your Patient Icy Cool in Acid Disorders...

In Management of Hyperacidity  
& Acid Peptic Disorders

# PRIME-DSR

Pantoprazole 40 mg (Gastro-Resistant) &  
Domperidone 30 mg (Prolonged-Release) Capsules

## Pantoprazole

- Checks hyperacidity, prevents ulcers & ensures excellent safety profile  
Expert. Opi Drug, Metab. Toxicol. 2008, Apr; 4(4):471-83
- Offers potent & comparable action as of latest PPIs (Proton Pump inhibitors)

## Domperidone

- Domperidone is the most effective when used with proton pump inhibitors
- Prevents gastric reflux conditions  
Arch. Intern. Medical, 52:71,2001
- Enhances gastric emptying rate
- Exerts potent prokinetic action

- Reflux Oesophagitis • Nausea & Vomiting • GERD  
• Dyspepsia • Gastric Ulcer • Heart Burn

Round the Clock Manager of GERD

Sultamicillin is a Mutual Prodrug  
of Sulbactam & Ampicillin

# SP-375

Sultamicillin 375 mg Tablets

- Sultamicillin is a semisynthetic double ester that combines ampicillin with the beta-lactamase inhibitor sulbactam
- To be effective against a wide range of gram+ve & gram -ve bacteria
- To combination of sulbactam with beta-lactamase antibiotic ampicillin restores the bactericidal activity of ampicillin
- Enables a convenient BID dosing

- Genito-Urinary Tract Infections • Skin & Soft Tissue Infections
- Respiratory Tract Infections • Gastro-Intestinal Tract Infections
- Obstetric & Gynaecological infections

**Mutually Effective Prodrug**

**Guard  
Against *Life*  
Severe Infections**

# LENOZID-600

Linezolid 600 mg Tablets

- Is appropriate to achieve the safety and efficacy against MRSA-caused infections  
Int J Clin Pharmacol Ther. 2015 Sep;53(9):765-71
- Is a cost-effective alternative to vancomycin in the empiric treatment of patients with suspected MRSA nosocomial Pneumonia  
Value Health. 2015 Jul;18(5):614-21
- Is a commonly used antibiotic for the treatment of complicated skin and skin structure infections, including diabetic foot infections  
J Am Podiatr Med Assoc. 2015 May; 105(3):244-8.
- Frequently used to treat not only vancomycin-resistant Enterococcus (VRE), but also Vancomycin-sensitive Enterococcus (VSE) infections  
Liver Transpl. 2015 Sep 3.

- **Nosocomial Infections • Community Acquired Pneumonia**
- **Complicated Skin & Soft Tissue Infections • Diabetic Foot Infections**
- **Septicemia • Vancomycin Resistant Enterococcus Faecium Infections**

**Adaptable to the Strongest Conditions**

Rescue your patients in

**Allergic Rhinitis**

**MKAST-LC**

Levocetirizine 5 mg & Montelukast Sodium 10 mg Tablets

- Prevents tightness of chest experienced of asthmatics
- No anticholinergic activity
- Montelukast & Levocetirizine is more effective than monotherapy with these agents
- Reduces asthma attacks by 70% in children

- Perrenial Allergic Rhinitis
- Rhinitis associated with Asthma • Hay Fever
- Seasonal Allergic Rhinitis • Chronic Idiopathic Urticaria

**Towering above the rest ....**

Quick Relief from  
**Cold, Fever, & Bodyache**

# ANAMOL-PLUS

Cetirizine 5 mg, Phenylephrine 10 mg & Paracetamol 325 mg Tablets

## CETIRIZINE

- Selectively antagonizes peripheral histamine H1 receptors and thus provides relief from allergy

## PHENYLPHRINE

- Decongestant, reduces the feeling of congestion and also reduces the production of mucus, helping to relieve a blocked nose

## PARACETAMOL

- Trusted anti-pyretic & analgesic

- **Common Cold** • **Sinusitis & Fever** • **URTI**
- **Symptomatic Treatment of Allergic Rhinitis**

**The Right Choice in Congestion, Cold & Fever**

**HELPS RELIEVE  
STRESS AND ANXIETY**

# **STRESSGON**

Ashwagandha Root Extract 300 mg Capsules

- Reduces stress
- Calms anxiety
- Relaxes mind and body
- Rejuvenates overall health and well-being
- Improves energy levels and combats fatigue

**BUILDS IMMUNITY AND STAMINA**

**Natural Stress Reliever**

Get Extra Time for  
Extraordinary Performance with...

# **XTAVITAL**

Natural Sex Stimulant Capsules & Powder

- Well known to boost sexual health significantly
- Management of premature ejaculation
- Management of erectile dysfunction
- Improve strength and performance
- Restores vigour and vitality

- **100% Herbal, No side Effects**
- **Powerful Medicine** • **Safe for Long Term Use**

**Gives you the Confidence you Need**

**Flush... The Kub with  
Natural Alkalizer**

# URIL

Natural Systemic Alkaliser

- Disintegrates & Dissolves the calculi, clears the blockade
- Inhibits Cystallization of Phosphates & Oxalates.
- Action without altering Electrolyte balance
- Induces Diuresis, prevents super saturation of urine
- Normalizes urinary pH keeps kidney and Urinary Tract Flushed with its diuretic
- Corrects hyperoxaluria, hypercrystalluria and hematuria and prevents recurrence

- Calciuria • Crystalluria • Renal Claculi
- Haematuria • Burning Micturition

**Natural Strength dissolves toughest threats of Life**

Safest Therapy of  
Stomach Acidity...

# TRICID

Antacid-Antiflatulent, Alumina, Magnesia &  
Simethicone Oral Suspension

- × Relieves heartburn, acid indigestion, sour stomach & upset stomach
- × Relieves symptoms of excessive stomach acidity in patients with indigestion
- × Possesses anti foaming and anti bloating effects
- × Significantly reduces nausea, vomiting, discomfort in the stomach & abdominal pains Jugosal Ginekoi Opstet. 1979 Sep-Dec, 19 (5-6):307-11
- × Safe and effective in relief of gas associated with heartburn

FDA Consumer, Vol. 26, Jan-Feb, 1992

• Heartburn • Indigestion • Gastritis • Peptic Ulcer

Instant & Cogent Antacid Relief...

Natural Way of Treating  
Cough & Cold Symptoms

# ZEEREX

Cough Syrup enriched with Tulsi & Mulethi

- Honey-based herbal syrup fortified with Tulsi, Mulethi and other scientifically tested herbs.
- Provides effective relief from Cough & Cold Symptoms.
- The formulation is clinically proven and provides fast relief against acute cough and throat irritation.
- Effective in all kinds of cough and throat irritation.
- An effective anti-histaminic without side-effects of sedation.

- Relieves Cough & Throat Irritation
- Relieves Sore Throat • Relieves Cough
- Expectorant • Anti-Tussive

Quick Relief from Cough & Cold Symptoms

Healthy & Tasty Drink  
High Nutrition & Vitamins
